*Continuing Mediation Education,

Training Programs Catalog*

2023

"Supporting Courts, Ensuring Justice"

On behalf of the Arkansas Alternative Dispute Resolution Commission, I'm pleased to present the 2023 Mediation Training and Continuing Mediation Education Catalog. This catalog contains information about certification, mediation training courses and continuing mediation education opportunities.

Each year, the Commission sponsors a series of courses that serve as the building blocks of mediation training. While anyone may take the courses, they are specifically designed to satisfy the training requirements for mediator certification. We are fortunate to work with nationally recognized faculty and to have a staff that strives to create a learning environment that is second to none.

For mediators who are certified, we offer a variety of continuing education opportunities. On odd-numbered years, the Commission offers a series of CME programs throughout the year. The programs may be webinars or in-person events. These programs utilize both local and national mediators, attorneys and other professionals as faculty to present on topics tailored to meet the needs of that area, as well as the state as a whole. On even-numbered years, we offer a statewide conference in which national speakers are invited to our state to share their experience and expertise.

While one of the Commission's goals is to serve the needs of certified mediators with high-quality education programs, it is also our goal to educate attorneys, judges and the general public on the uses and benefits of mediation. To that end, anyone is welcome to attend our continuing education programs or training courses.

I hope that you find this catalog helpful, and that you are able to attend one of these engaging educational programs.

Sincerely,

Cheryl Anderson

CERTIFICATION

Mediators eligible to mediate cases from the Arkansas Circuit Courts for compensation must be certified by the Arkansas ADR Commission. The Commission has established standards for mediator certification, professional conduct and discipline with which applicants must comply in order to be included on the Roster of Certified Mediators. The Roster is provided to every circuit court judge in the state, posted to our website and made available to anyone who contacts our office seeking a mediator.

There are four categories of certification: civil, probate, domestic relations and juvenile. The education, training and practical experience requirements vary for each of the categories, and the specifics are set out in the *Requirements for the Certification of Mediators for Circuit Courts*.

Certified mediators are required to adhere to ethical standards and are subject to a disciplinary process. The Commission has no authority over mediators who are not certified.

CONTINUING MEDIATION EDUCATION

In order to maintain good standing, certified mediators must complete six hours of continuing mediation education (CME) each reporting period. The reporting period begins on September 1 and ends on August 31. On even years, the Commission hosts a statewide ADR conference. On odd years, the Commission offers a series of CME programs throughout the year. The programs may be webinars or in-person events.

Duplicate attendance of regionals is not available for CME credit.

Additionally, programs conducted by other organizations and individuals may be approved by the Commission for CME credit. The application for CME course approval can be found on the Commission's website at:
arcourts.gov/administration/adr/training.

The Arkansas Alternative Dispute Resolution Commission was created by Act 673 of 1995 and consists of seven volunteer members who have demonstrated prior interest or involvement in alternative dispute resolution. Members are appointed by the Chief Justice of the Supreme Court of Arkansas, Governor, President Pro Tempore of the Senate and Speaker of the House of Representatives.

The primary mission of the Commission is to encourage, promote and develop the voluntary use of alternative dispute resolution processes to resolve disputes, cases and controversies of all kinds.

The Administrative Offices of the Courts (AOC) provides general staff support, facilities and operating assistance for the Commission. The AOC is an agency within the judicial branch of government that works to support the state courts on behalf of the Arkansas Supreme Court.

The mission of the Administrative Offices of the Courts is to support the Arkansas Judiciary and employees of the judicial branch and to assist attorneys and members of the public who rely upon an independent state court system that is efficient, accessible and fair to all.
