

## Application Name: Child Support Calculator

### Release #:

1.0

### Release Date:

11/09/2020

### Summary of Release:

The first version of the Child Support Calculator will be promoted to Production on November 9, 2020 and located as a link off the Child Support Guidelines page, located here:

<https://www.arcourts.gov/forms-and-publications/arkansas-child-support-guidelines>

The Child Support Calculator is used as a tool, accessible to anyone, to calculate possible child support obligations based on the Income Shares Model that Arkansas recently adopted on July 1, 2020. The Child Support Calculator may be printed to PDF and saved as an attachment to Child Support Orders or Support Order Modifications.
