Now image levels are working with user security
- Retrieve all docket results on a case vs. paginating
- Party repeating for alias records
- Clicking a case in criminal history search (warrants area)
- Person or Business Name search updated to allow for only DLN search
- Several performance updates
- Disclaimer decline button Red
- Horizontal scroll in Person or Business Name search at top of search results to aid in finding the correct record
- Financials balance issue where balance on a payment plan, other issues
- Judgment ID header changed from Judge ID to Person ID

This release also coincides with Phase 2 of promoting Internal CourtConnect & Courthouse CourtConnect to the traditional CourtConnect urls and updates the previous CourtConnect applications to have an “old” designation in the urls as described below:
