<u>Application Name</u>: COURTCONNECT *Apex Build*

<u>Release #:</u> 1.0

Release Date: 08/17/2020

Summary of Release:

CourtConnect, originally built by Avenu, has been reimagined in Apex for the impending Cloud migration. CourtConnect is a set of applications that offer public information, extended information for court & law enforcement professionals, and extended information for courthouse terminals.

This release consists of three different applications:

- Public CourtConnect
- Internal CourtConnect
- Courthouse CourtConnect

Release Approach:

Phase 1: Keep existing CourtConnect applications up with the option to try the new CourtConnect applications (Beta approach) (August 17, 2020). In phase 1, the new applications will have these URLS:

Public CourtConnect: https://caseinfonew.arcourts.gov/

Internal CourtConnect: https://courtinfonew.arcourts.gov/

Courthouse CourtConnect: https://courthouseinfonew.arcourts.gov/

Phase 2: New applications by default with option to use current versions on login pages (August 31, 2020). In this phase, the new applications will have the traditional URLs with the current/old versions of CourtConnect having URLs changed as follows:

Public CourtConnect: https://caseinfoold.arcourts.gov/

Internal CourtConnect: https://courtinfoold.arcourts.gov/

Courthouse CourtConnect: https://courthouseinfoold.arcourts.gov/

Phase 3: Replace existing CourtConnect applications with new applications (September 14, 2020). In this phase, the current/old versions of CourtConnect will be removed from F5 and removed as links on the new CourtConnect application login pages.

New Features:

1. Ability to export data
