Application Name: PUBLIC COURTCONNECT
Apex Build

Release #:
1.0

Release Date:
12/14/2020

Summary of Release:
CourtConnect, originally built by Avenu, has been reimagined in Apex for the impending Cloud migration. CourtConnect is a set of applications that offer public information, extended information for court & law enforcement professionals, and extended information for courthouse terminals.

This release consists of promoting the first public information application: Public CourtConnect. This application will reside as an option for end users of the legacy Public CourtConnect application behind a link on the landing page of the application.
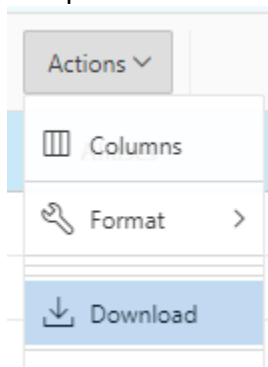

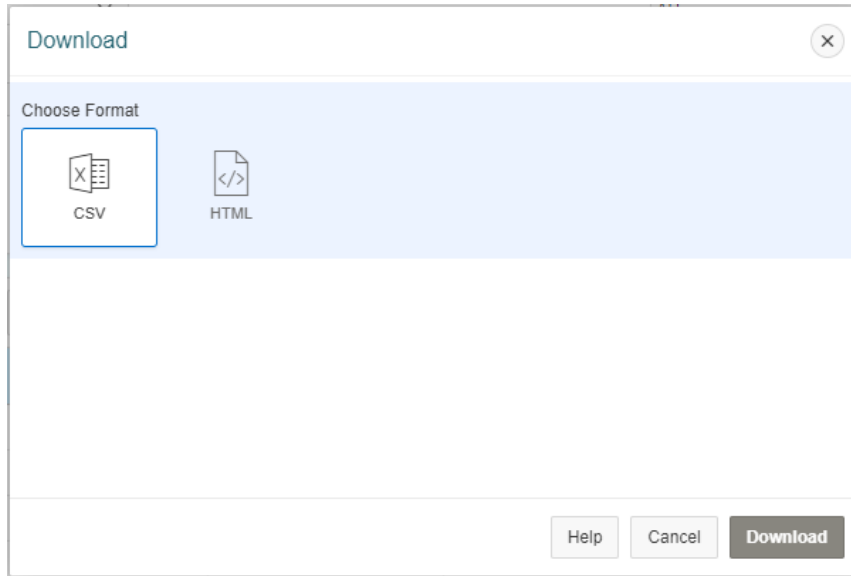

Release Approach:
Phase 1: Keep existing CourtConnect application up with the option to try the new CourtConnect application (Beta approach). In phase 1, the new Public CourtConnect application will have this URL:

Public CourtConnect: https://caseinfonew.arcourts.gov/
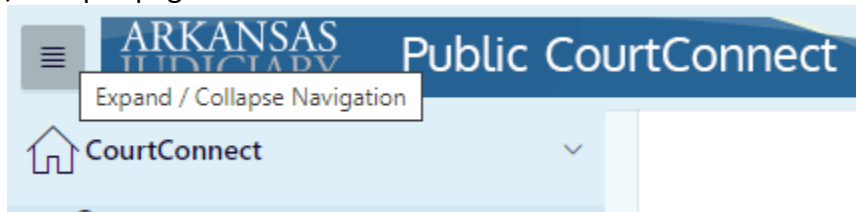

New Features:

1. Ability to export data
