

Application Name: PUBLIC COURTCONNECT

Apex Build

Release #:

1.1

Release Date:

12/17/2021

Summary of Release:

CourtConnect, originally built by Avenu, has been reimaged in Apex to provide the user with an improved user experience. CourtConnect is the online portal for the public to view Contexte Court case information.

This release consists of promoting the updated public information application to include some limitations in search results. This application will replace the current option for end users of the Public CourtConnect application.

Release Approach:

Phase 2: Replace existing Public CourtConnect application with the updated Release 1.1 version.

Search result limitations:

- Person search limited to 1,000 records at a time
- Case Filings Search & Events Search- limited to 31 days
- Docket filings Search limited to 7 days & limited to 1000 records at a time
- ALL Court option in Case Filings Search, Docket filings search, & Events Search now removed
- Apply security function after the results are fetched to improve performance
- Introduce DL Search

The Public CourtConnect application will maintain the same URL:

Public CourtConnect: <https://caseinfo.arcourts.gov/>

New Look:
