

Application Name: SCALES

(Specialty Court Application & Legal Exchange System)

Release #:

1.0

Release Date:

05/15/2020

Summary of Release:

The goals of this release are to streamline the referral process for specialty courts and facilitate capturing information to meet the reporting and analytics requirements for specialty court applicants as per A.C.A. § 16-98-306.

In this release users will be able to search for and select cases in Contexte (based on user profile/security) to refer an individual for consideration to participate in a specialty court. Users will be able to complete the required information on the application, create a report for staffing, and capture the accept/reject decision for the applicant. If applicant is accepted, users will be able to capture hearing dates, hearing notes, and sanctions and incentives for the accepted participant.
